Danny Bear's thought of the month:
"In my Professional opinion, Bodie was better than Doyle."

This might be our **Hot 'N' Sticky Special**, but right now all I am is hot 'n' bothered. Why? Because I'm so bloody **unpopular**, that's why. Take last night, for instance...

It was the NME photography exhibition opening night in Covent Garden. As usual I hadn't been invited, but my rock and roll mate **Howie** managed to **blag** me in. All the usual liggers, loafers and hangers-on were there, rubbing their grubby shoulders with the likes of **Blur**, **Mick Jones** and that fit little singer from **Belly**. Loaded's 'Super Yob' editor James Brown did his best to look like a lad by wearing his **sunglasses** indoors, swigging from a bottle of lager and ignoring me; mad music writer **Paul Moody** did it better by being the most pissed person there and blanking himself; but best of all was my next door neighbour from my home town who looked straight through me. She works in the bloody fashion business, **darlings**...

The whole up-its-own-arse scene pissed me off so much I couldn't even be arsed taking advantage of the gallons of **free booze**, opting instead for three **Virgin Colas** (and pocketing three smart

Virgin Vodka glasses into the bargain!). Then suddenly things got better; the seas of screaming tossers parted and the **horniest girl** I've seen outside of these pages approached me and Howie.

"Hello," she said. "Have you got any coke?"

"No," I said wittily. "Only Virgin Cola!"

"Funny," she replied and walked off.

Marvellous. Not only does the whole world **blank me**, now fit girls think I'm a dealer. And to top it all, I could hardly see any of the pictures we were supposed to be there for 'cos everyone was too busy standing in front of them **networking**. So I left, thanking my lucky stars I'm just an **ordinary wanker** who likes getting pissed with mates who **sell taxis** and go shoplifting on a Saturday.

In fact I was still thinking the same thing at **three o'clock** that morning when I was staring at my bedroom ceiling praying to God that the caffeine in those bloody Virgin Colas would wear off and let me get some fucking sleep. Cheers. – **The Editor** ♣

NAUGHTY NAOMI

You've finally done it this time! After five years of reading Club I have seen the sexiest girl you've ever featured – I'm talking about Naomi. As usual, I had been waiting for the issue date and, having reached it, I went into my newsagents to look along the top shelf for my monthly highlight. There was Naomi. Absolutely nude on the cover of Club (Vol 24 No 6) with her hair covering her tits and a hand hiding her pussy. What a girl!

My wife, Stacey, looks forward almost as much as I do to our sessions with Club, always scheduled for the day I bring the mag home. She likes me to call her from the office when I have got it so she can get herself ready for when I return. 'Getting ready' means a relaxing bath culminating in Stacey shaving her pussy absolutely clean.

Then she'll select one of the sets of erotic underwear from her collection. Maybe red, maybe virginal white or perhaps my favourite, black. Stockings, suspenders and high heels added to French knickers and a top and she is ready. When I return, my copy of Club in my briefcase, she will be lying on our bed trailing a middle finger over her Frenchies as she slowly turns the page of a previous issue of Club.

"I hope the new Club has more pictures of this girl," she'll tease, as I struggle out of my suit with a raging hard-on. To turn me on even more she would usually look at me provocatively before sticking her tongue out to lick the pussy of the naked girl in the picture.

Then I'd pass Stacey the new mag whilst I undress and join her on the bed as we look it together, with Stacey teasing me by asking what I'd like her to do with each of the girls.

But not with Naomi. Seizing the mag she stared at her on the cover. "Oh God, what a girl!" she gasped. Instead of waiting for me to turn the pages, she went straight to the pictures of Naomi. 'She's fabulous!" she kept repeating before settling on the full-frontal shot of Naomi on page 40 with her bare tits and her legs open wide.

Spreading the centrefold on the bed, Stacey then ignored me completely as she eased down her knickers before thrusting a finger inside her cunt. It wasn't more than a minute before the inevitable happened and Stacey started to come. She screamed out loud with the intensity of her orgasm.

This is the new microwave bed. You get a full nights sleep in two minutes

BEAT ME, WHIP ME, TOUCH MY HAIR AND YOU'RE DEAD

Tim McShane pumps the odd iron with the hunkiest, sweatiest, funniest exercise book of all...

Until Souvenir Press sent us a review copy of *Charles Hix's Working Out: The Total Shape-Up Guide For Men* (£12.99), we thought that Lilly Savage was the height of poovery. WRONG! Camper than a pack of Swedish Boy Scouts wearing cycling shorts in pink tents, *Working Out* masquerades as a blokey-bloke's exercise guide. In fact, it's a book full of Gillette advert-type square-jawed dreamboats mincing about in Y-fronts, bending over for no reason and smiling longingly at the camera, drenched in sweat, like they are auditioning for an Athena poster. But don't get me wrong, this book is SUPERB. I haven't giggled so much in years.

So forget all that nonsense about body building and muscle development, what we really want to know is – just what *do* you do with your hair after a workout? Well, this book has the answer! Showing a hunk with Farrah Fawcett locks brushing it back into a bouffant that Danny La Rue would kill for, we are reassuringly told, "The main thing about the mane thing is not to horse around." Riiiiight! Going grey? Well, be

And finally, if you're left in any doubt as to how to choose a gym, don't go for type of equipment, choice of machines or personal tuition, just remember to "Size up the gym members on the scene. Are they quiet, congenial, or boisterous?" What?! Your laughing gear will get plenty of exercise, if nothing else.

The thing is, with a title like *Working Out*, you might buy it thinking it'll make you look well-cool in front of that gorgeous shop assistant down at your local Dillons, which it will. So long as the gorgeous shop assistant is a six-foot-two queen with rippling abs and a Donny Osmond grin.

Devon knows what makes these two girls so creamy! The two West Country wenches have been trying a little lipstick lesbianism. "I began to fantasise what it would feel like to have another woman run her tongue over my nipples or to feel her tongue in my wet slit," says 20-year-old Tricia. "Linda understood, so we gave it a go!"

And?

"Mmmm!" was the closest we got to a constructive comment from 19-year-old blonde Tricia, but the way she was squirming around on the chair, her fingers deep inside in her knickers gave us a rather strong clue. "I'd never give up fellas," she admits, "but as a way to get my juices flowing before a fuck, I can't think of anything better. Oh, and lads, Linda's nipples do taste as good as they look!"♣

Star 69

Everything we know about Julie Daniels, lead singer with Star 69 (which is easily the best band name we've ever heard of) we read in *Melody Maker*. Apparently she came to London from LA two years ago, wears huge sunglasses indoors, writes songs because "I'm really self-obsessed and I can't afford therapy", and was once nicked for stealing a bikini. The stuff legends are made of.

The only thing we would like to add to this indepth pop profile is the fact that we would all swap our left testicle for just a smile from this rock godette. Though what Julie would do with a bucketful of left testicles we can't imagine...

Star 69's *Mama Don't Let* and *Selfish* are both available now on Chrysalis.♣

Yes, there is a world beyond the bottom of a pint glass! **Jason Jewel** tries out the soft lad drinks...

Summer fruits
Oasis

Okay, so people have their reasons, if they don't want to drink, each to their own, respect their choice. These days more and more people don't drink when they're out, and it's easy to forget that up until six years ago you could only get Coke or orange juice if you wanted to remain sober in your local pub or night-club.

However, over the last few years the variations of soft drinks available and being sold through cafes, shops and bars has increased massively. This trend that is rapidly filling entire fridges in off-licences can be traced back to the acid house explosion in the 80s.

In 1988, MDMA or Ecstasy was integral in launching clubs all over the country and creating a new generation of clubbers. MDMA produces feelings of euphoria and a raging

I didn't bother going to NME's Exposed party but my informant tells me it was more of the same – loads of po-faced hacks polishing Blur's belt buckles while most of the girls there only wanted to powder their noses (and we're not talking Max Factor here). I put the phone down and head off to The Red Lion where Chris Watts of *Kerrang* is interviewing Panic, the musical mob I manage.

Our drummer, Ed Murphy, famed for brawling with pop stars, turns up with his arm in plaster. Seems he got attacked on the dance-floor of West London dive Zeniths. Ed then made the big mistake of taking on the bouncers who where dragging him out – hence the broken wrist. Silly boy.

hard-on. Meanwhile, at least while the drugs lasted, the football terraces became hippy love-ins and England's youth was rapidly dehydrating in a cloud of strobes demanding with their wallets, unbelievably not beer, but thirst-quenching Ecstasy-friendly soft drinks.

Of course, in 1995 MDMA is only available in your imagination and you'll probably get a quicker euphoric rush from a cheap bottle of red wine than you would from the aspirins they sell in the corner of a nightclub. But for nearly six months at the tail end of the 1980s, beer sales in clubs nation-wide slumped, music was 'really deep' and soft drink manufacturers scratched their crotches.

Large companies act slow and it has only been recently that the effects of the six month beer slump has shown its long-term effects on the expansive range of soft drinks.

But hey, we still have to drink something between two and seven on a Sunday afternoon, so bored of dirty Coke I decided to toss a line in the fridge marked 'soft drinks' that rot your kidneys before 20 pints a day ever will.

JOLT
Lucozade
NRG
Seltzer
MAD RIVER
Mango and Apple
354ml

Jolt Cola. Calories: 170. Sugars: 41g
Jolt Cola boasts twice the caffeine of other colas, and surprisingly its variation on the worn-out cola theme is tolerable and even pleasant. Obviously, Jolt is from America and its launch originally caused outcry amongst distressed, American parents who, prompted by the drink's 'twice the caffeine' boast, rallied for its withdrawal.

Red Bull Energy: 198kj.
A self-confessed energy drink featuring the mysterious taurine. What is taurine? Bull hormones? I guess the idea surrounding the over-priced Red Bull is that it brings out the rampant bull in you. It tastes like cough medicine. Red Bull's launch campaign has been centred around night-clubs where its manufacturers obviously believe there is still a gap for another soft drink. What about the gap in night clubs for decent drugs?

Lucozade NRG. Energy: 331kj.
In a bright yellow bottle with a textured grip so you'll keep hold of it when you bungee jump, NRG is aimed at the imaginary new action sports generation that's not particularly taking over Britain. An electric sparkling fruit explosion? Mmm, tastes like fizzy orange to me.

Oasis. Summer Fruits
Oasis has been launched by the vanguards of classic soft drinks, Schweppes, to cash in on the success of Snapples fruit punches. Oasis doesn't make idle threats or superhuman boasts; it's just fruit juices and clean water. If you like a pleasant stir of apples, cherries, strawberries, red currants and clean water, you'll probably enjoy Oasis.

Ultra Fuel. Energy: 1600kj.
Ultra Fuel, 'the ultimate energy and recovery drink' is accompanied by a science essay on the back of the bottle that is full of long words but says niche. Aimed at people who pump iron, I doubt that an Ultra Fuel will radically alter the size of your arms but if steroids ever reach dance floors then maybe Ultra Fuel will have a better angle for targeting the soft drinks market. It tastes like medicine.

Mad River. Calories: 160. Juice: 5%
Come on, would you trust a label that said 'radical raspberry lemon'? Don't encourage this sort of behaviour.

Mango and Apple Seltzer
Gaining steady success with mid-priced drinks (about 70p), the Seltzer company is an Icelandic export. Available in a variety of different tastes Seltzer, like Bjork and seal clubbing, have created many jobs in recession-hit Iceland – the holders of the highest suicide rate in the world. Buy a drink, save their bored lives.

Muji Cola
Cola for yuppies and girly boys. I bet Boyzone drink this. Gimme a break. A chrome can and chic Japanese graphics doesn't fool me. Pass me a Pepsi. ♣

straight to the heads of some customers. "This guy was trying on some PVC shorts and he says 'Watcha think?' I turned around and he's standing there exposing himself. And in a, ahem, state of excitement." Maybe you should write to your MP, I murmur. I think it was my MP, he tells me.

It's Steve's birthday! Steve, for those who don't know, runs Steve's Sounds, a Chinatown record shop that's chocked full of cut-price chart CDs, rarities, vinyl deletions and, on this particular occasion, champagne. "I bin 'ere 26 years," says Steve, "started the same time as Branson. Mind you, I never had his public school background – or the cash he started with. Had to do it by myself."

I almost feel guilty for telling Steve that he should have a shark's fin on his back. Simon Morganti, Steve's assistant manager, says he's drumming for a new R'n'B band and promises me a cassette soon – could this be the latest Strongman discovery?

Tuesday, 5pm

It's Tuesday, it's five o'clock and that means it's time to interview UK Tribe. The latter have blended the twin dancehall sensations of jungle and soul on their latest 12", *Dark Love*, which means it'll either sell a million or flop completely. The Tribe are fronted by the wonderfully named Jack Daniels and his charming companion Ronni Blue, an attractive girl singer with a smooth voice and a near perfect figure. "We're touring Amsterdam soon," she pouts. "The cafes are supposed to be really good – why don't you come along?"

"Yeah, why don't you come along, Phil?" says Jack as I knock back a double of his namesake. Okay, kids, you talked me into it.

Thursday, 12.30pm

I'm at Madame Jo-Jo's for Sean McLusky's Black Vibrations night. The tranny waiters are shaking their funky stuff to the punk rock disco while the rest of us wait for Jake Vegas to appear. The night seems to be dominated by fags, and Sean gives me a ferocious lecture on the evils of smoking.

"But Sean, this one is only herbal."

"They're even worse, they smell like shit."

"But..."

"No buts. Wait until you've got a disaster on your hands – a relative dies, you get evicted or something – then give up smoking completely. Give up under pressure. It never fails."

I
MANUMISSION

And then I find twenty Marlboros by the phone (you see? I can't get away from it). I'm still wondering what to do with them when I run into nicotine addict Jason from The Flying Medallions. Jason is on something of a downer, annoyed with the press who have consistently ignored the Medallions and he ends his speech with doom-laden words, "The world's a piece of shit really, isn't it?" I give him the packet of Marlboros and his eyes light up, hope restored. Turning around I run into Soho legend Barnsley who's toying with the idea of relaunching Bow Wow Wow's Annabella Lwin. "The thing is," he moans, "with the music biz, it would have to be a full-time job." I sympathise. Barnsley's never done anything full time. The last time I was in his flat there was a small group of girls and crusties furtively smoking dope in the corner. "Who are they?" I ask.

He shrugged. "God knows," he says, then gives me a funny look. "How the hell should I know who's in my flat?" Diamond geezer. ♣

tina hayes sex babe!

Hiya fellas! I hope that you are all paying attention 'cos I have some very important news to tell you...

I've been your regular girl in Club for a year now, and I can't tell you how much I've enjoyed receiving your naughty letters and acting out your filthy fantasies every month. I've been a frisky maid, a naughty nurse and a horny horse rider, but now I've decided to hang up my silk undies and pack away my Wonderbra.

I've had such a thrilling time over the last twelve months and it's been a real eye-opener for me, so much so that I've decided to write a book telling the world of all my sexy shenanigans! It'll be a book to rival any of Jackie Collins', and I don't think people will quite believe some of the things I've been up to!

Of course, I'll be keeping all the letters that you sent to me so that I can read through all the dirty details whenever I fancy. Thanks to every single one of you. As a special treat for you all, I asked The Ed to select the best of the photographs that I've done so you can enjoy one last lingering look at me. And remember, I'll be thinking of you every time I feel horny – and you all know how often that is!

BLLEEUURRGH!

Weighing in at 72 pounds and feeling fit, the heavyweight contender of music journalism James T Bone **gives Blur, drummers and arse-kissing journos a pounding. Come and have a go if you think you're lard enough!**

After subjecting the listening public to the cockney twang of Phil Daniels, wonderboys **Blur** are set to irritate the nation's ears even more with the frightening news that they've enlisted the vocal talents of Ken Livingstone. That's right, **Ken Livingstone** – the Right Honourable Member of Parliament for Brent East.

Mr Livingstone, who has been described as having the most monotone voice in political history, was spotted laying down vocals for a track on the band's forthcoming album.

Jesus, it's bad enough having to listen to the warblings of singer Damon All-Bran without suffering the vocally-challenged efforts of Red Ken too. We can only guess what the unholy racket sounded like, but I'd guess that the effect on the ears would be the equivalent of enduring a colonic irrigation with gravel and ground glass then wiping your arse with bleach-soaked sandpaper.

Why don't Blur just go the whole hog and ditch Damon and replace him with the infinitely plummier tones of, say, Frank Muir, instead of using all these silly guest artists. Gets my vote any day.

● Pity the twelve poor sods on the jury for the **OJ Simpson** trial. They've been isolated from their families and have been living in a Los Angeles hotel for eight months with no access to newspapers, radio or television for fear of media coverage prejudicing their verdict.

So what do our twelve men and women have to keep them happy? American record company Liberty Records thought they'd cheer the jury up by sending them a couple of their latest CDs – which included a **Garth Brooks** greatest hits album and, wait for it, a country and western Beatles tribute album. Poor bastards. If OJ Simpson gets sent to the chair you know who's to blame...

● Rock bands seem to have been losing drummers at an alarmingly Spinal Tap-esque rate recently. No sooner had the **Stone Roses** dispensed with the services of Mani than Tony McCarroll got his marching orders from **Oasis**.

Using our extensive investigative powers, we reckon that both bands have been reading *The Manual*, a guide to pop stardom by ex-KLF man, Bill Drummond. One of the golden rules for chart success, according to Bill, is to sack any band member with curly hair. The evidence is there for all to see: Mani has never been seen without a hat, while Tony possesses the finest bubble perm since Kevin Keegan hung up his Carmens. Mind you, it doesn't seem to have done Michael Bolton any harm.

● After months of arse licking by the likes of *Loaded*, were bending over backwards to sing the praises of the band who were being touted as the best thing since, well, the Happy Mondays actually. Thankfully the *NME* and *Melody Maker*, ex-Happy Mondays singer Shaun Ryder and his new band **Black Grape** last month finally put out a piece of wax, *Reverend Black Grape* (Radioactive Records).

Despite the fact that nobody had heard a single note from the trio, music journalists

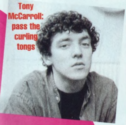
record lived up to the hype and sees the unholy trinity of Shaun, Bez and Kermit on colossal form. Look out for the LP, *It's Great When You're Straight... Yeah!*, sometime next month.

● Finally, six months into the year and what have been the best albums of 1995? The Stone Roses' *Second Coming* was cool, although after a five year wait people would have paid money to hear singer Ian Brown taking a dump. The Editor favours **Skunk Anansie** at the moment, although we'll forgive him for a temporary lapse of taste.



Tony McCarroll: pass the curling tongs

How about **Teenage Fanclub**? The Scottish songwriters have always endured ridicule for imitating their heroes just a little too closely, but their new LP, *Grand Prix*, finds them just the right side of pastiche. If you are in any doubt whatsoever, just listen to *Mellow Doubt*, single of the year so far. It also features the coolest cover we've ever seen, worth a tenner of anyone's money. Buy it now.

● Finally,we are all totally in love with Julie Daniels from fab top poppers **Star 69**, so there. Alright, this is her second mention in the mag, but so what.♣

festival: noun, organised series of events, performances etc, usua

Carry on Camping

Peace, love and harmony anyone? Not for *Dave Dean* who gives you the truth behind this summer's major festivals

Pah, festivals who needs 'em? Growing up in shit-for-nothing Northern towns all I ever heard from my peers was how wild and crazy festivals were. Every summer grown men with stupid haircuts would froth in the local pub about Glastonbury or Reading, although it was inevitably never as good as the previous year.

Eventually out of perverse curiosity to laugh at the smelly hippies from my hometown on their paradise island, I packed up my wardrobe of Ralph Lauren and caught the train to Glastonbury. Straight over the fence with a £10 leg-up from a badly-dressed gang of Scouse football fans, the spiritual Mecca of British festivals looked like Tiaguana (Mexican shanty border town) versus Oxford Street on a Saturday morning. I couldn't walk six paces without a freak trying to sell me something I didn't want. I don't want your jewellery, I've got my own food and I'm certainly not going to touch your dirty drugs.

Filthy men, ugly women, students and animals on strings wander in the mud going nowhere in particular because we're all stuck in the countryside behind fifteen foot fences, guarded by security guards for three days in the rain with no television. On the first day it was fairly amusing on drugs but so are shopping centres, and then evening fell over Glastonbury and there's no central heating or lights. What an absolute nightmare.

In 1995, it's just unnecessary. Channel 4 televise Glastonbury, ferchrissakes. At least you can swap channels on your widescreen Sony with the remote control from the security of your armchair whilst you sip cold beer and eat nachos. Hey, missus, pass the Milk Tray...

THE BANDS

Inevitably crap. With so many different festivals, organisers desperately try to outdo each other by putting on more and more bands and showcasing exclusive performances from old farts like Bob Dylan. Hence the ridiculously high price of tickets.

Of course, even if you do get to see your favourite band at a festival, there'll be 75,000 people in front of you reducing the sound to a faint buzz that is only audible between mouthfuls of the crisps your mate is eating.

THE DRUGS

Like travelling to Amsterdam especially to smoke a spliff, going to festivals for the wild drugs does not hold. You can get hold of and do drugs anywhere these days. To pay £60 for the privilege of smoking crap weed whilst locked in the countryside with thousands of people who smell is frankly insane.

THE CHICKS

Traditionally festivals were the flagpole of free love, but in 1995 you're more likely to catch the clap and a cold. Sure, there's loads of ready birds under the influence of booze – but the same is true in most night clubs too. At least the women at The Ritz have showered.

THE TOILETS

Look, wooden boxes with gaping holes filled with two tonnes of human shit are not toilets. My dog (on a lead, not a string) wouldn't even cock its leg at a festival toilet.

THE WEATHER

Don't kid yourself, Glastonbury is not Goa.

WORST TEN FESTIVALS OF SUMMER '95

1. **Reading Festival**. **Reading**. August 25-28. Neil Young, Bjork, Smashing Pumpkins. On an industrial estate, floodlit and crawling with cops. Watch the shit bands, buy the shit tee-shirts and go home.
2. **Glastonbury**. The countryside. June 23-25. Oasis, Stone Roses, The Cure. Lots of guns, horrible food and people you'd pay £60 to avoid.
3. **Ibiza**. July/August. Loads of dance bands. It's hot,

Shit fest: two birds get dirty

ly in one place

there'll be loads of scantily-clad chicks.

4. **Buxton Wells Dressing. Buxton**. July 12-15.

There's a well where you can drink the mineral water for free or alternately you can swim in their spring water swimming pool.

5. **Phoenix Festival. Stratford-on-Avon.** July 13-16. Suede, Faith No More, Paul Weller.

In previous years heavy-handed security teams have forcibly put people to bed at midnight! Great, huh?

6. **Notting Hill Carnival. London.** August 27-28. Sound systems galore.

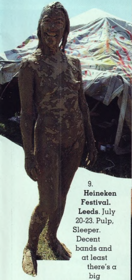
Thankfully no dogs on strings, just loads of raggas in string vests.

7. **T In The Park. Strathclyde**. August 5-6. Elastica, The Prodigy, The Beautiful South.

Glastonbury in Scotland inevitably means more rain.

8. **Womad. Reading**. July 21-23. Transglobal Underground

Multi-cultural festival that is largely attended by guacamole eating hippies.



9. **Heineken Festival. Leeds**. July 20-23. Pulp, Sleeper. Decent bands and at least there's a big emphasis on beer.

10. **Beatles Festival. Liverpool**. August 25-29. Full of stupid tourists who'll lose their wallets and hubcaps to kleptomaniac Scousers. Probably. ♣

Renée

Photographs by Sandy Jones

If sexy supermodel Reneé looks familiar, then it's probably because you've seen pictures of her walking down the catwalks of Paris and Rome. So when we needed a gorgeous girl for a fashion feature we phoned her agent. "She'll be keeping her clothes on," we were told. No problem. Okay, we thought she might reveal a teasing view of her cleavage – but honestly, we never expected this! What came over you, Reneé? "I have these urges when I'm walking down the catwalk," admits

the Paris-born beauty. "I can feel all these eyes on me and just want to throw my clothes off! Of course, I couldn't possibly ever do that – but about halfway through the session, I couldn't help myself. I thought about all your readers getting turned on as I slowly peeled off my knickers and showed you how wet I was," says the 20-year-old. "I was so turned on I even had to pat my pussy lips with talc to stop them shining under the bright lights! Heaven knows what my agent's going to say, but I just don't care!" ♣

We catch up once again with Club's very own animal anti-hero...

Sid the Revivalist Punk SKUNK

Sid is poor, times are tight
The band are skint because they're shit

Kerrrr-ash! Sid awoke to find his front door hanging from its hinges, it was Mr Porker the Policeman.

"I've told you, Mr Porker, just ring the bell," said Sid. "You don't have to use that jack-hammer every time you come around here."

"Shut it, perp!" shouted Mr Porker. He was very rude but couldn't help it, after all he was a pig and we all know what bad manners they have.

"I've come for that fiver you owe me, you stinking skunk bastard," he oinked.

HOT DOG

"Oh dear, Mr Porker," said Sid. "I don't have any money 'cos I had a little accident at my last gig and I'm still paying her off."

"I don't care about that," snorted Porker, "just get it sorted or I'll find something to nick you for..."

"Well, Mr Porker," said Sid hopefully. "You may be in luck. Today myself and the remaining two members of my band – Sid's Quite Loud and Rather Scary Experience – are going busking. We should make an absolute fortune."

"Just get it by tonight... or else!" And with that Mr Porker trotted off.

Out on the streets things are hard
They have a ruck with a tub of lard

"Come on, chaps," said Sid. "Today we have to rock our collective socks; I need some money."

Sid was desperately trying to beef up the confidence of his three-piece combo's other members, Dave A Bit Naughty – a duck – and Leonard Anti-Sheep – a lion. The trio scuttled off into town and set up right beside a hot dog stall. They had brought along their little amp which they turned up loud and launched into their punk rendition of *I Know Him So Well* by Elaine Page.

"FUUUuuuuccckkkking shut up, you furry cunts!" shouted the hot dog-selling walrus.

WHERE'S ME FIVER, TWAT!
FUK!

"I say, sir," replied Sid, "we are perfectly within our rights to practise our craft on the streets. Anyway why should we take orders from a 22-stone walrus with a shaved head and tattoos all over him. And you can put down that piece of scaffolding too."

"Errr, Sid," whispered Dave A Bit Naughty, "do you think it's wise to..."

SmmMMMAAASSssshhhh!

Dave spiralled through the air in an arc and landed beak-first on the bonnet of a Hillman Hunter parked by the side of the road.

"Now piss off and take your bloody noise with you!" said the Walrus.

Granny Whippet, her pants are stale
Oh my God, Sid's going to jail

Sneaking around the corner, Sid and the band proceeded to have a trouble-free day. They even got some money in their hat. Busking was good. Then old Granny Whippet turned up.

"Someone's scratched my Hillman," wheezed Granny, "and that walrus at the hot dog stall said it was the duck, the one with the bandages. I want some money off you lot."

"You must be mad if you think that we're going to cough up for that old wreck," said Sid. "Anyway, you're too old and senile to drive it anymore."

Granny Whippet didn't like this. She looked around for Sid's cash and saw the hat full of change. "I'm having that," she said, grabbing the hat.

"No you're not!" replied Sid, but it was too late. Granny Whippet grabbed the money and ran off down an alleyway. Alas it was a dead end.

"I've got you now," said Sid, grabbing Granny Whippet. He pinned her against the wall and began rifling through her pockets. Then he felt a tap on his shoulder.

"You bastard... I knew it! Mugging old ladies to pay me back." In a quite appalling case of timing, who had turned up on his beat but Mr Porker.

Oh dear. ♣

It's big, it's butch, it's full of babes and beer: the Sports Cafe has hit Britain. Wimp in a rugby shirt, *Tom Angel*, got stuck in

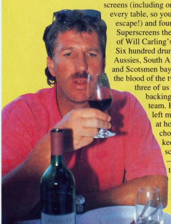
"A bar for guys with big balls and girls who like getting their gums round them"

Ever wondered what happened to all those blokes who tucked their shirts into their jeans and wrecked the Students' Union just for fun? Those blokes who could drink 17 pints and still get off with the best-looking blonde? Well, I've found all of them, and they're just as pissed, loud, and lucky with the women as they ever were at the Sports Cafe.

The last bastion of Heterosexual Testosterone Man, the Sports Cafe in London's Haymarket is a bar for guys with big balls and girls who like getting their gums round them. Or at least that's how it appeared the day I went down there for an Allstar burger and chips (£6.50), washed down with a Page Three girl or two. The groin-wrenching Rugby World Cup show-down between England and Western Samoa blasted out from the bar's 120 TV screens (including one at every table, so you can't escape!) and four Superscreens the size of Will Carling's chin. Six hundred drunken Aussies, South Africans and Scotsmen bayed for the blood of the two or three of us Brits backing our team. Having left my Uzi at home, I chose to keep schtum – until the fifth pint of lager



(£2.50) and vodka chaser (£1.80) kicked in and I took to the table to stomp my support for Underwood and Co. as they coasted to victory. What better way to shut up Johnny Foreigner, eh?

The mad atmosphere at the Sports Cafe is better than being at the match itself. How many stadiums do you know where a gorgeous waitress wearing shorter-than-short shorts brings you beer after beer and smiles at your increasingly unfunny jokes? When the second Sports Cafe opens in Nottingham on August 1st it could empty the stands at The City Ground

V

NERS

The Sports Cafe is the brain-damaged-child of two Canadian entrepreneurs who took inspiration from theme cafes like the Hard Rock and sold it to the beer-monster couch-potato in all of us. Open 18 hours a day, the Cafe can always deliver at least one major sporting event on its 250 satellite and terrestrial channels and there are even TV sets in the toilets so you don't miss a minute of the action while you're having a piss between pints. The walls, too, are plastered with sports memorabilia including Sally Gunnell's running spikes, considerately sealed in an odour-tight display cabinet, Nigel Mansell's filthy driving suit (now two sizes too small for him), and a real racing car worth a million pounds. Unfortunately, there's also 135 sharp-eyed staff stopping you from pocketing any of it, though I did manage a couple of nice ashtrays.

There is no disputing that the Sports Cafe is positively bulging with blokes on a big game night, but squeezed between them are some of the best-looking girls in London, also tanked-up and looking to score. You might even spot regulars Stan Collymore and Ian Wright having a pint, or racing driver Martin Blundell sipping on an orange juice (though I wouldn't know Martin Blundell from a boring racing driver). I can't imagine there'll be much orange juice drunk on the night of the Bruno fight, which is the next big event on the Sports Cafe's menu. I'll see you there under the third table on the left shouting for Oliver McCall – 'cos I hate Frank Bruno more even than I hate the Sports Cafe...

Only joking, girls! ♣

Matt Moore meets a bloke in a toilet...

the incredible Brendini

"Brendini's a good geezer. Like you know you have friends that you might talk to and you have friends that you respect, Brendini is a guy I respect. I know if I have no money or I was hungry, I'll just knock on his door and he'll give me cigarettes, he'll give me money. He's a nice guy." *Carl, glass collector.*

Born in 1946 on VE Day in Ireland, Brendini had a boring childhood and when he eventually started to notice the opposite sex, the Irish girls didn't notice the incredible talent that hung over Brendini's head like a halo. Of course, it's easy to say that we've all got swarming halos of unnoticed talent hovering over our heads, but I sincerely believe that Hugh Grant hasn't and doesn't have any merit or talent to offer (although I will admit his bird's pretty fit). Misguided respect and attention spent on spanners such as Grant just distract the overdue respect that people such as Brendini deserve.

By night, Brendini poses as a toilet attendant at a London night-club who sells oranges but he is, in fact, one of Britain's best photographers providing a constant pictorial narrative to London's late-night life.

Frustrated at the lack of prospects and work in his native country, Brendini moved to London when he was 17 and worked in pubs, a fitting start for an all-round good geezer who was born in a pub.

"I was born on the wrong side of the bar," he says.

What's the right side of the bar?

"If you were born on the outside of the bar with the customers you'd love to drink and you'd be celebrating all the time," he tells me, "but I was born behind the bar."

During the 60s and 70s, in between looking after the dodgems on a fair, Brendini penned articles for radical underground magazines such as *The International Times* and *The Ink*. Brendini then joined Billy Smart's circus looking after the exotic animals.

"I looked after tigers, camels and polar bears," he says. "I had to feed the polar bears and one morning I lifted up the front of the cage on my own and the next thing the polar bear went for me. I jumped back and its claws went right through my trousers. It could have ripped my kneecap off."

What exactly did you feed the polar bears?

"Milk and Eggs."

After getting fired from Billy Smart's for showing his arse during the performance finale to a packed house, Brendini quit the circus trade and only returned briefly in 1981 to juggle and dance onstage with the Rolling Stones at Earls Court.

Brendini has been taking photographs for over 20 years.

"I went to night classes and an Indian man with a deformed hand taught me the basics," says Brendini.

At the tail end of the 1980s, Brendini took his camera into the overdressed sex and drugs night-clubs in London via the toilets. Brendini changed into a toilet attendant.

Starting out at Taboo, the late Leigh Bowery's legendary den of hedonism, Brendini captured the parade from the best seat in the house – the toilet.

Not everybody dances but everybody has to go to the toilet, and likewise, so did the nutters at Taboo. "Leigh Bowery used to come in and change the batteries in his flashing eyes," laughs Brendini. "He signed my signature book."

After Taboo halted, Brendini became the resident toilet man at the Love Ranch. The Love Ranch was the flagship of sleaze, anarchy and house music, and Brendini quickly found a home in the Ranch's still legendary crew of misfits and nutters.

"I'm a nutter as well," he says.

Brendini isn't a big techno fan but, lighting another Superking Light, he says he doesn't mind it, which is lucky because he spends more time in night-clubs (and their toilets) than most young people.

"It's got better but there's no turn around in the music," he complains. "They've stopped playing Whitney Houston and all these top songs, now there are no famous voices or musicians."

What did the music used to be like?

"You'd get the Beatles and Elvis," he says.

Three years ago, Brendini had a fling with pop stardom, nearly. An avid writer and poet, Brendini wrote the lyrics for a pop song that was a hit in Japan. But unfortunately, Brendini didn't smell any royalties or even hear his own song. Although this marked the end of Brendini's short pop music career, he still writes poetry.

Continually working and taking photographs, Brendini's looking forward to a much talked-about retrospective of his photography.

Do you have any tips for young photographers, Brendini?

"Depth of feel is very important."

The seat's soft enough to sink in when you climb on top, and the arms are comfy enough not to hurt my head when you slip inside me and start pumping. no BIG de

You're in a band with no money, no record deal and no future... at least you're in good company with this lot. *Matt Moore* cocks an ear at the very best in criminally ignored music makers

Musicians are boring. All they ever do is whine that people don't pay them any attention and it should be their crap band, and not another crap band on the cover of this week's *NME*.

Listen, buddy, nobody cares. If you don't like it, get a fucking day job. Why should anybody listen to you? I'd rather have a wank than watch most bands.

Meanwhile, there will always be pockets of individuals who produce music and/or perform regardless of whether other people are paying any attention. Often they're shit, but at least they keep it to themselves. Sometimes they're not – and they still don't get any attention, but so what? And occasionally their hard work will merit them an inch of success. Good for them. But whether you or the suits and their cheque books care or not, they will still continue to make noises all over the world.

Super: going up in the world

Super isn't really a band, it's a loose happening that makes impromptu appearances at the Night And Day Cafe in Manchester. An eclectic range of film makers, musicians, hangers-on and record collectors, Super's sound is built around experimental electronics, Northern soul and drugs. Their first two events were also held up by a band of the same name that proceeded to scare the shit out of the cafe's student, bohemian regulars. Fronted by the hulking Mid, Super's backdrop of noise was held together by his 12-year-old daughter on the xylophone, tape loops, white noise and Hammond organs. Over a cloud of stark lights and Super 8 films, Super are, for two nights only, the best band in the world. But Super aren't and never were a 'band.' Super is a happening; you can't control or book happenings in advance and already Super have split more times than they've actually played together. Well worth catching.

All New Accelerators: a smashing bunch of kids

The All New Accelerators have a reputation for being dirty junkies who scour the cracks in the pavement for cigarette butts.

Their manager is optimistic. "They're dogshit. The future is dogshit."

They've already been tipped for 1995 by Linda Duff of *The Daily Star*. Constantly running from trouble into more trouble, if The Monkees were English and had been on the dole, they would have been called The All New Accelerators.

Ever since they arrived in London during the late 1980s, gate-crashing clubs such as The Love Ranch, the All New Accelerators have hijacked parties, playing their dirty brand of rock 'n' roll, shouting, swearing and drinking all the beer.

Their first release was the ill-fated *Christians On Crack*, let loose to no acclaim and then hastily withdrawn. Since then the band has gone underground, regrouped and drunk more beer, even finding time between dates at the dole office to run the Accelerated Youth Club in Soho. Their new release is entitled *Ten Pound Bag Of Skag* which has already propelled the UK's scariest group into the major music press.

Ween: stoners in shorts

Starting up as a stoner's joke on a four-track recorder, Dean and Gene Ween's latest album sounds like Prince recorded on 48 tracks. It may be the same stoner's joke they've been sharing since High School, but in 1995 **Ween** are now being encouraged to make their most absurd, half-baked stoner ideas into reality.

One time petrol pump attendants from Pennsylvania, Ween's recent UK tour confirmed their cult status. Playing for over two hours each night, the ramshackle bunch of wasted white trash rejects trawled through surreal nonsense, Jack Daniels, white funk, country rock and ten-minute drum solos. Just three years ago this stuff was confined to smelly bedrooms in between bongs and Kiss posters, but on the back of Beavis & Butthead's recent success it's making huge waves.

al

Looking like they've just come out of community service, **Mad Carson** are from Wolverhampton. But unlike the local football team, Mad Carson are good, and if the record companies can pull themselves from the free coke in London toilets, they might even be successful. But who cares, because even if you don't read about them, Mad Carson's loose funk grooves and up-for-it attitude will still be popular amongst their mates.

Continually mistaken for a gang of delinquents, the band are a mix of heads from different backgrounds. What would you do if you were given a million pound deal? Bored of getting picked up by the local cops, singer Tom says, "We'd buy some decent clothes so that we could stop looking like burglars."♣

And does she still sing once she's got him into bed? "I've got far better things to do with my mouth then!" she laughs. "Besides it's rude to talk with your mouth full!"♣

SMOOTH-TALKING BAD STEWA

MILK IN Action

Summer is upon us and something more frightening than the Ebola virus is about to be unleashed on sports fans, says **Maurice Short.** Cricket stewards.. AAaaarrRRHHHHHHH!

Every so often, after some terrible murder, or awful new Man United away kit, the shout goes up across the nation: 'What kind of sicko would do such a thing?' It is not a cry that finds an echo in the Short household. For I know what kind of mad, perverted wacko would perpetrate such crimes; would break apart families, destroy homes and insist that World Cup referees wear a shirt made out of the gold-coloured material only ever seen stretched across the bulging bazonkas of sexy female aliens in *Space 1999*. Yes, they're exactly the same sort of barmy berks who'd seek employment as MCC stewards at Lords Cricket Ground. Due to the strict vetting procedures, however, no gangster, Montana Militiaman or member of the FIFA International Committee would ever be awarded a job amongst this elite body of men. No, when you apply for a job as an MCC steward you have, at the very least, to prove beyond doubt that you are an escaped war criminal or you won't even get an interview.

I jest, of course. British summer just wouldn't be the same without the MCC stewards. The crack force of officious officialdom are as much a part of an English summer as strawberries and cream, builders' buttocks and positive drug tests.

Cynics may dismiss them as jumped-up little Hitlers, but those of us with more sense know that MCC stewards are the true heroes of our British summer. We recognise that the problem for the MCC stewards is not that they are too powerful, but that they are not powerful enough. Surely it is time all cricket lovers called for the introduction of measures that would allow these storm troopers of sensibleness to stamp out the terrible crimes that are committed around our cricket fields. Anybody seen entering the ground in a short-sleeved safari suit, for instance, ought to be rounded up. As should anyone who has bought a pair of sky-blue lightweight, department store slacks, or is sporting a baseball cap featuring clapping hands.

Those sad individuals who insist on scoring throughout the match using coloured pencils would also feel the wrath of the newly empowered stewards. Talking to an Aussie, making peacock noises, or pointing when umpire David Shepherd goes into his irritating 'I'm standing on one leg because the score's on 111 or a multiple thereof' would also be punishable. Herded into cells beneath the Mound Stand, these menaces to ordinary cricket watchers could then be subjected to the torture of listening to the informed opinions of Bob Willis, Jack Bannister and Tom Graveney. Then when they'd begged for mercy, they'd be made to come in at dawn the next day and take the sandwiches out of the deep-freeze so that when people buy them at lunch time they don't break a tooth on a piece of frozen pork luncheon meat.

● Sadly, umpire David Shepherd's hopping represents part of a sad trend amongst cricket officials. They are increasingly seen as 'characters' with their own personality traits, e.g. Dickie Bird's obsession with his stomach disorders. Unfortunately none of the modern breed quite live up to some of the masters of yesteryear. Bill Alley, a huge Australian who later became an umpire, recalled coming up against one of these tough birds whilst playing for Somerset. After his appeal for LBW had been turned down, Alley gave vent to a few opinions about the umpire's eyesight, parentage and the effect on his senses of encroaching Alzheimer's disease. At the end of the over, Bill offered his apologies to the official who said that he shouldn't worry as in the heat of the moment anyone might say something he later regretted. Alley thanked for him for his understanding. Two overs later, the Aussie again gave a shout for LBW. The umpire shook his head. "Not out, you fat bald Australian bastard," he said gleefully.

● Good news for those of us worrying about how the approaching millennium should be celebrated. British naturalists recently got together to discuss plans for a nudist Olympics to mark the occasion. Obviously there is much sorting out to do on vital issues such as whether women high-jumpers will be allowed to do the Fosbury Flop and how to avoid a painful accident during the baton change in the men's 4x100 metres relay. Whatever is decided it seems that America's beach volleyball queen, Gabrielle Reece, is unlikely to take part. Pity.

Will Carling: titface

● Recent speculation that Paul Gascoigne has paid for girlfriend Sheryl to have her breasts enlarged led to speculation amongst colleagues over who has the biggest cleavage in British sport. After considering the merits of ex-javelin star Tessa Sanderson and pole vault champion Kate Staples, we decided it was England rugby captain, Will Carling. Unfortunately Carling's fleshy canyon is in the middle of his chin. Whether having cleavage on his face makes Will a tithead, I leave for you to decide. ♣

Apollo 440 make brilliant music that blurs the lines between dance, rock and techno. *Mark James* talked to remix master Howard Gray about the future, immortality and getting wrecked...

Does no one work for a living anymore? Techno-heads Apollo 440 have made a fortune fiddling with other people's songs and, by the sounds of it, spent the lot on booze and drugs. We've even heard some rumours about drunken antics in Dublin, involving international footballers and the lead singer of U2. What's going on, boys?

"Ha-ha! That was a fucking scream. We took Dublin by storm. We were drinking with the Welsh international team after the gig. Ryan Giggs and Mark Hughes were there and they were well up for it. Big time partying!"

So where does Bono come into it?

"We'd done remixes of *Even Better Than The Real Thing* and *Mysterious Ways* which he was really into," says Howard. "So we just decided in our very pissed state that we'd track him down wherever he was in Dublin and we eventually found him at 5 o'clock in the morning. I tell you that is a man who knows how to party!"

February 1995 saw the release of *Millennium Fever*, the debut album from the three Scousers who were previously known as much-in-demand producers and remixers. Collectively, brothers Howard and Trevor Gray and vocalist Noko are Apollo 440 and their album ranks alongside Leftfield's *Leftism* as one of the most innovative dance-based releases of the year. For both bands, the albums were a chance to showcase their own material after building massive club reputations as remixers. The Apollo 440 'remixography' makes pretty impressive reading – and listening for that matter. They have worked on tracks by U2, EMF, Rozalla and INXS amongst a host of others. With such an impressive catalogue of remix work, was there a lot of pressure when it came to putting together the first Apollo 440 release?

"Yeah, there was," says Howard. "But the other side of the coin was a great sense of relief. It was such a buzz being able to present ourselves as a band and showing what we can do with our own material rather than just being known through other people's songs."

The band have taken time out from a Central London studio to do the interview, where they've been since they finished a support slot on the recent EMF tour. What was it like being out on the road for the first time?

"We had a ball!" laughs Howard. "People like to think of us as a bunch of techno boffins, and after being stuck in the studio for the last couple of years it was great to get out and perform in front of an audience. I really love the theatrical side of performing live. It was a great rock 'n' roll show and we had some fucking crazy times offstage too. We really showed EMF how to party!"

Musically the group draw their inspirations from all quarters and make dance music in the very broadest sense of the word, incorporating samples from just about every era and genre of popular music. *Millennium Fever* is a frenzied slab of end-of-the-era decadence and features a brilliant reworking of the Blue Oyster Cult's *Don't Fear The Reaper*, complete with digitised, screeching axe solo. Why did they choose such an old rock standard as the only cover version on the LP?

"The

cadets!

original was very trancey in the first place," says Howard, "and fits in with the theme of the project. It's about death, but it's about immortality too. It's a fucking brilliant track and was fun to do. That's the background that we're coming from. The first music I ever liked was heavy metal, bands like Black Sabbath, Led Zeppelin and Deep Purple. What we now know as techno is only heavy metal made with new technology – even if some people don't like to admit it."

Apollo 440 seem taken with the idea of immortality judging by tracks such as *Liquid Cool*, which is about cryogenics *(that's freezing someone and keeping them until medical technology advances enough to bring them back to life – Technical Ed)*. The whole album has a very futuristic feel to it, not just musically but lyrically too. So what does the future hold?

"It's gonna be crazy," predicts Howard. "As we reach the end of the millennium things are getting out of hand. I'm not trying to be fucking evangelical or prophesize the end of the world, but just look what's going on in Japan and America. It's fucking crazy, man!"

And what about the track, *I Need Something Stronger* – is that a drug reference or what?

"It's about drugs, it's about sex, it's about religion. It's about the crazy times we live in and how everyone is searching for the next high."

If you like music to contain a mind-expanding mish-mash of influences, and you can get your head round a spicy cocktail that blends rehashed rock and swirling keyboards, topped off with the computerised equivalent of flatulence, then you'll love *Millennium Fever*. If on the other hand you can only take dance music that's fluffy and overloaded with feel-good piano hooks then you, along with the other people who iron their jeans, are not going to like it. It's a mature guitar-driven brand of head-fuck dance/techno, but is it the future?

"Yeah!" laughs Howard. "If there is one."♣

"It's about drugs, it's about sex, it's about religion. It's about the crazy times we live in and how everyone is searching for the next big high."

to her having sex. I can't really blame her. Sometimes a girl can't really let go and fuck like she wants to if she thinks someone is in the room nextdoor playing with herself and coming every time she comes."

WOMEN'S WRITES

Where the girls get down to business

ORAL TUITION

My name is Yvette and I have been in England for just over two years working as an au pair for a family in West London. I'm originally from Lyon in France, but because my father is English I've had no problem with the language in this country. In fact, I understand exactly what men are saying when they comment on my 36C bust, flat stomach and long, shapely legs! When I first started my job, I was a little worried that I might get in trouble with the lady of the house, Leone. I remember being suspiciously eyed up and down by her in a manner which suggested that she had noticed my assets and would be keeping a close eye on me and her husband, Jerry. And she did just that, following me around to make sure that I wasn't left alone with him.

About three weeks after I had started there the kids were staying over at their friend's house, Jerry was away for the night on business and I was in my room watching television. There was a knock on the door, and in walked Leone who was wearing a white dressing gown belted tightly shut. "I hope I'm not disturbing you," she said. "But I've been watching you since you've been here and I think you're doing a great job."

I breathed a sigh of relief and smiled shyly.

"I'd like to show you my gratitude," she continued and moved closer onto the bed beside me. Gently, yet firmly, she eased my thighs apart, exposing my white knickers and began to softly stroke my pubic mound through the sheer material.

I was amazed that this woman, whom I was convinced had been against me even starting the job, was coming onto me. I was so excited and turned on that I could hardly speak. Leone was actually only a few years older than me, about 25 years old with short, cropped blonde hair and a lovely body. She tugged at the cord of her robe and as the material parted I realised that her long legs were covered by sheer stockings and a suspender belt – and she wasn't wearing knickers!

Her neatly trimmed pussy looked good enough to eat, so that's exactly what I did! Pulling her legs towards me, I buried my wet tongue deep in her luscious slit. I had messed around with other girls a few times before, but none of them made me want to give them head the way I was licking Leone's cunt.

Her pussy juices tasted sweet and tangy and I lapped away at her pink lips. Leone pushed her pussy hard against my face and I was convinced that she was about to come, so I pulled away.

"I want you to show me that you can do better," I purred sexily as I pulled off my dress, slipped my knickers off and sprawled back on the bed naked. I wasn't disappointed as Leone spent a good ten minutes darting her tongue in and out of my moist pussy and teasing at my clit. Naturally, I came with a hard thrust and a buck of my hips.

But Leone wasn't content to just leave things there. The woman I had thought

She darted her tongue in and out of my moist pussy, teasing at my clit

was wary of me had only been eyeing up my figure with a view to having sex with me. "Wait here," she commanded, slipping out of the bedroom for a couple of seconds before returning with a strap-on dildo.

After helping her buckle up the straps, I bent over with my hands resting on the dresser so that Leone could enter me from behind. She slid inside my cunt effortlessly and the harder I felt that dildo pump in and out of me the quicker my orgasm rose inside me. After a few minutes of ramming, I screamed out and came with such force that I thought I was going to faint. It felt absolutely incredible!

About a week after my escapade with Leone, I was called in to see Jerry in his study at about nine o'clock in the evening. I couldn't think of anything I had done wrong, but by the look on his face I knew trouble was brewing.

"I'm disappointed with you, Yvette," he said sterny.

I stared at him blankly.

"And this is the reason why," he continued, raising Leone's dildo from behind the desk. My legs turned to jelly and I started to shake, so much so that I didn't even notice that Leone had slipped into the study behind me. Jerry stood up from his desk and, to my utter astonishment, hadn't a stitch on from the waist down and was sporting a hard-on that looked like it meant business. I gasped loudly and then felt Leone's hands cupping over my tits.

"I'm just disappointed that you didn't invite me to join the two of you," he smiled. "That's all!"

"I'm sure we can soon remedy the situation," I giggled. Leone helped me out of my clothes and I lay back across the big oak desk and spread my legs. Jerry eased his cock inside my cunt and began fucking me hard while Leone rubbed and licked my nipples. I milked Jerry's cock with my cunt muscles and it wasn't long before he grunted loudly and then shot a wad of spunk all over my tits.

The three of us were so horny that the next few hours were taken up with sucking and fucking in every position until Jerry couldn't come any more and was content to watch Leone and I finish each other off in a display of hot, lesbian sex.

As you can imagine, after that evening none of us have looked back. It's hardly a surprise that I've been happily employed by Leone and Jerry for so long – and I certainly have no intention of leaving for a while yet!

HOSE THAT GIRL?

The recent bank holiday turned out to be a real scorcher for me, in more ways that one! My name is Trudie and although I'm only 19 years old, I have a flat of my own which I bought a year ago. It's a brilliant place with a lovely little garden that's my pride and joy. When I moved in there last summer I spent all my time getting it together so that I could sunbathe in the garden. Although it's enclosed on three sides, there is one window that looks directly down but I decided to throw caution (and my clothes!) to the wind. As the days passed I became more relaxed sunbathing naked, but I must admit I did get into a spot of bother recently...

I was lying in the garden, drinking a bottle of wine and feeling as randy as hell. I had glanced up at the window of the flat overlooking the garden and was sure that nobody was in. I slowly lifted my knees up and slid a couple of fingers into my pussy hole. Masturbating in the open air was a new experience for me, but one that I knew I was going to enjoy!

Gently rubbing my clit, I began to lift my pelvis up and forced my fingers inside my cunt. I love to fantasise and before long I had imagined there was a whole rugby team taking it in turns to fuck me and shoot their spunk inside my wet pussy. Hardly surprising then, when I had one of the most intense orgasms I've ever experienced and I let out a scream. I was sure the neighbours

must have heard me 'cos I was making so much noise.

I though no more of it until later that evening when the doorbell rang. I had just stepped out of the shower and so slipped a towel around myself. I was certain I recognised the young man who was standing there. "Aren't you the guy from the flat across the way," I asked. 'Ian isn't it?"

"That's right," he blushed, looking like he was hiding a guilty secret. It dawned on me that he must have at least heard me this afternoon, if not actually seen me too.

"Can I do anything for you?" I continued. "Or maybe I have already..."

"I saw you today," he said. "I just had to tell you how amazing you looked."

"Thank you," I giggled. "Maybe you'd like to come in to see a little more?"

Before he had a chance to answer, I grabbed Ian by the hand and pulled him through the front door and led him towards the bedroom. As I walked in front of him, I let the towel fall to the floor to reveal my pert arse.

Once inside the bedroom I told Ian to sit down on a chair whilst I sprawled naked across the bed. I ran my fingers along the inside of my thighs and then up to my pussy. Ian watched entranced as I eased a finger inside my cunt and began frigging myself. "Is this what you saw this afternoon?" I panted.

I eased myself onto his swollen tool

Ian nodded frantically. It was unfair to tease him a second longer and I spun around onto all fours and pushed my bum up in the air. Ian was out of his trousers in seconds and joined me on the bed, sliding his cock in and out of my wet hole with the speed and enthusiasm of a man who could barely hold himself back. It may have been fast and frantic, but it was intensely exciting. Ian reared up one final time and then pulled out and shot his load all over my bum cheeks. Amazing!

The next afternoon I was watering the garden when I heard a knock from the window of the flat above. Ian was waving at me. I was wearing a pair of cut-off denims that rode up between my legs so much so that you could see my pubes sticking through. I bent forward and wiggled my arse at Ian. When I looked back, there he was with his hard-on in his hand wanking himself.

'I'll give him something to really wank over,' I thought and, taking the hose, started to spray myself with a shower of cool water. My nipples stood erect the second the cold water touched them. I was very turned on and tugged my shorts up so that they rose up the crack of my pussy. I continued performing my sexy little show for Ian and watched him as he began to wank himself even faster. The sight of him stroking his cock so unashamedly made the situation even more horny and I started to play with myself too!

It wasn't long before I saw Ian come, thick globules of spunk splattering against the window! Of course, that was my cue to come, lying on the grass with the hose-pipe still spurting out water!

I stood up, soaked to the skin, and took a bow.

"Do you need help washing that window?" I laughed. "I'll just turn the water off and I'll be up in a second, okay?" And with that I ran indoors and then hot-footed it up to Ian's flat. I'm sure I don't need to tell you what happened when I got there, do I?! – *Trudie, Taunton*

COME TOGETHER

Pussy playtime where anything goes

RANDY MANDY!

I felt her tongue dive into my juicy pussy hole and she began to lick me out

My name's Mandy and I'm a 28-year-old nympho who just loves reading your magazine! My boyfriend Keith and I buy Club every month and we love all the girls you feature, and I especially like the real-life letters you print from other readers as sex-crazed as ourselves.

Keith and I have been seeing each other for five years now, and we are up for anything sexually. We've had group sex with strangers at orgies, I've watched Keith fucking two of my friends and really got off on it, and he's seen me bed two of his horniest work colleagues.

But what I really wanted to tell you about is what happened when I went to my college reunion a couple of months ago. It was eight years since I'd left, though I must say I didn't look or feel any older since I was strutting around the college bar pissed out of my head at twenty. I've always kept myself in trim as I find it improves my sex life if I'm toned and fit. My figure is 36D-24-35, the same as it was when I was at college, and I'm very proud of that.

Anyway, it was years since I'd seen any of the girls who I was close chums with. I'd kept in touch with a few of them, but Keith and I live at the other end of the country, so the reunion would be the first time I'd seen any of them for ages. I felt very excited as I walked into the hall where the reunion was being held, but that was nothing to what I felt when I saw my gang of pals again – they all looked gorgeous!

During dinner we caught up with gossip, and I have to confess that all my old crushes caught up with me too. There was Trish, who was always very prim and proper, wearing a red dress slit to the waist and almost showing off her knickers every time she walked. And Mary, who was always very sporty, had the most toned and tanned body I'd ever seen that looked fantastic in a backless black number. They were there with their partners Dick and David, and as I looked at the pair of them I could feel the sexual electricity in the air.

After the dinner and speeches, we all went back to our hotel where we carried on drinking and dancing for hours. I have to say that as I drank more, I began to feel very randy. Keith could tell and was really teasing me, rubbing his crotch up against me and telling me how he'd love to just rip off the blue off-the-shoulder number I had on.

"You're having the same effect on the other guys too," he whispered to me. "None of them can keep their eyes off you. Why don't you give them something more to get steamed up about?"

Well, that was a challenge that I couldn't resist! Keith stood back a bit as I started to dance on my own, really gyrating and fondling my tits through my dress. Everyone was looking at me and that just spurred me on even more. I eased my dress off my shoulder so that it fell to my waist. Oh, and I forget to say that I wasn't wearing any knickers, didn't I?

I was soon massaging my tits in full view of the whole bar, pinching my nipples with one hand while easing my dress right down over my hips so that it was only just covering my bush. My fingers were itching to stray down there, but instead I just gyrated my hips in invitation to everyone.

"My wife's always been a randy one," I heard Keith telling people as the song playing changed to a much slower number. I changed my movements in time to it, licking my lips and feeling my tits wobbling in full view of everyone. Now I was really putting on a stripshow for anyone who cared to watch me. You should have seen the looks on the faces of the bar staff!

I was just about to shrug off my dress when I felt a pair of hands grab my waist and start to stroke and caress me. I could tell it was a woman by the red nail polish, but I had no idea who. I just let her fondle me,

with her fingers working lower and lower, stopping just above my pussy. Suddenly my dress was in a heap around my feet and Trish was kneeling down in front of me.

My mouth fell open in shock for a split-second as I felt her tongue dive right into my juicy pussy hole and she began to lick me out. All those years I'd thought that she was prim and proper, and here she was slurping my juices down and licking her lips, which smudged her lipstick and made her look like a right tart.

I moaned and grasped her hair to keep her mouth firmly on my pussy, at the same time trying to turn and see who it was behind me who was playing with my nipples. I worked out that it must be Mary, as she was the only person I couldn't see in front of me watching the action.

Gradually I felt Mary sliding her hands further down so that she was fondling me from behind as Trish worked on me from the front. So there was a tongue in my pussy and two fingers working away on my clitty – it wasn't surprising that I came then, my legs buckling so that Mary ended up having to hold me up. Good job she's strong and muscular from all that sport!

"Bend her over – you can see what she wants now," I heard Trish say, then I felt my legs being spread so that I was kneeling on all fours in the middle of the bar. My wet pussy was on display for all to see, and as I panted in the aftermath of my climax, I felt the fat tip of a cock probing at me, and then slipping inside.

Looking over my shoulder, I could see that Mary's husband David was the guy who'd not been able to hold himself back. In seconds, he was pumping away hard at my pussy as his wife watched in awe. I could feel the muscles of his thighs rippling against my cheeks and with every thrust of his shaft he was making me come bucketloads. I never thought that would happen to me, but I couldn't help myself. "Fuck me hard," I remember saying. "I want your cock really hard. I want your hot come inside me."

My pussy seemed to be overflowing with spunk

David's thrusts were so hard and urgent by now that I knew his orgasm wasn't far off. When I felt his hot spunk spill inside me, my whole body was shaking and flushed and I could feel the excitement of all the onlookers spurring me on.

Before I could recover, David had pulled out his shaft and was moving around to the front of me while a longer, thinner cock was eased into me from behind. It was the aptly-named Dick, and I couldn't help being envious of Trish when I felt his rhythm in my pussy. He circled his cock around as well as ramming it up and down, and when I called on him to fuck me even more roughly he did so with just the pace that I love.

At the same time, David was at my mouth, feeding his shaft between my lips and it became something of a race to see who'd come first. Using my pussy muscles on Dick's shaft I made sure that it was his come which shot into me first. He came so vigorously that my pussy seemed to be overflowing with spunk, and when he pulled out I knelt upright to cup David's balls and coax out a second load.

I felt his hot spunk spill inside me

I was delighted to feel Trish get down between my legs and start to tongue away at my pussy then, and from the way her tongue lapped right inside my pussy walls I knew she must be tasting every drop of that delicious brew. She was shaking as her orgasm overtook her body – and as I looked around I knew she was going to be coming again shortly. Her husband had pulled his cock out of my pussy and then thrust it inside his wife to give her a good screwing!

Well, after that everything became a bit of a blur. I was feeling pretty drunk by then, but I remember having at least three cocks in my cunt, and my face was almost cleaned bare of make-up by having so much pussy on top of it. I've never been so knackered in my entire life!

As you can imagine, we aren't going to leave it very long before we have another reunion – this time next year I could be writing to you with some even more sordid stories! – *Mandy, Shropshire*

COUPLES CONFESS

Share and share alike

FOUR PLAY

My name is Debbie, I'm 24 years old and I've been seeing my boyfriend, Alan, for two years. We've always had an open relationship, although the sex between us has been so exciting that neither of us has felt the need to seek out other sexual partners. Of course, I've snogged a few fellas in my time and I've even given a blow job to a guy in the toilets of a club once, but that's about it.

Anyway, last month I went out clubbing with my girlfriends and this time things went a step further. As soon as I arrived in the place I couldn't keep my eyes off the hunk serving drinks behind the bar. He was a few years younger than I am and looked great in a white tee-shirt and black jeans. During the course of the evening I couldn't resist chatting him up and discovered his name was Dave, he was 21 and he lived near to where I stayed in South London.

I lapped at the come that spurted from his dick

Sadly, he was stuck behind the bar all night and all he could do was watch as I danced and pouted teasingly in his direction. By the end of the evening, I'm surprised he hadn't leapt over the bar and headed in my direction; subtlety has never been my strong point and he must have known what I was thinking about when I ran my hands all over my boobs and wiggled my bum around.

By the time the bouncers cleared everybody out, Dave was nowhere to be seen. I looked around frantically but to no avail and was going outside to get a cab when I got a very pleasant surprise. There standing outside the club, having hailed a taxi, was Dave. "Your carriage awaits," he said. "You are going in my direction, aren't you?" I hopped in the back with Dave and it became obvious that something was going to happen. I could almost feel his eyes eating into me, gazing at my long legs covered by sheer black stockings.

"Clapham, please," said Dave to the driver, "and there's no rush either."

As the taxi rumbled along, I crossed and uncrossed my legs, revealing the black line of the top of my stockings as I listened to his every word. Christ, even the sound of his voice was turning me on and I could feel my pussy getting damp at the thought of fucking this virtual stranger. I leant forward and slid the glass window across the driver's partition so that we could have some privacy.

I uncrossed my legs and parted them just enough for Dave to recognise the come-on. I took his hand, slid it up my skirt and let his fingers fumble around in the hot dampness. I looked at him, but said nothing, instead savouring the thrill that swept over my body as his fingers stroked against the moistness of my panties.

I couldn't tell whether the cab driver was paying any attention to us, but I soon had my hands inside his zip and was already playing with his thick cock. I could feel the energy pulsing through it, ready to shoot hot spunk over my face, my tits, up my pussy... wherever!

I loosened his trousers and

worked that thick prick in time with the movement of his fingers deep inside my pussy. The rhythm was delicious and within a few minutes I felt the sticky flow of spunk seeping through my fingers. I bent down and lapped greedily at all the come that had spurted from his dick. It was only seconds after that that the cab pulled up outside my front door.

"Here's my number," he gasped, making a valiant effort to do up his flies surreptitiously. "Call me."

When I got inside my flat, I couldn't wait to tell Alan all about my little adventure. We always have fabulous sex if I describe in salacious detail my sexual escapades, and I explained how I had wanked and then sucked off Dave in the back of a cab.

"I wish I could have seen you giving that man a blow job," he said. "That would have been incredible."

I nodded in agreement. "And just imagine," I added, "if I could have sucked him off while watching you fuck a gorgeous girl."

We both started giggling, but our minds were in overdrive.

About a fortnight later, I decided to give Dave a call and asked him to come over for a bite to eat later that evening. "What about your boyfriend?" he asked, somewhat puzzled. "Is he going to be out?"

"No, he isn't," I told Dave. "But don't worry about him. He'll have his hands full."

Alan had invited Sue, a gorgeous blonde from his office, over for the evening too. Sue had already spent an evening with us before, which had ended up with Alan bending her over the dining table and slipping his tool deep inside her warm slot. That's just the kind of girl she is – friendly and accommodating!

By the time everyone arrived, the atmosphere was electric. After a couple of stiff brandies Alan was soon necking with Sue on the sofa, her skirt riding up as she put her leg across his lap. Dave and I watched as Alan moved his hand under Sue's skirt and pulled her knickers down so that I could see the thin strip of dark hair that surrounded her pussy hole. In an instant, Alan was down there burying his tongue deep inside her hole, jabbing it back and forth with relish.

Sue started to moan, and that seemed to be the cue for Dave to jolt into action. I felt his hands moving over my breasts, gently rubbing my nipples through the flimsy material as he began to undo the buttons of my blouse. I stood up and dropped my skirt to the floor and stood in front of him wearing nothing

but stockings, suspenders and high heels.

Dave sank to his knees, eased my knickers to one side and then flicked his tongue against my labia. "Oooh, lick me," I panted.

I glanced over at Alan then, who by now had his cock out and was wanking it hard and fast between Sue's breasts. The sight of this hot sex action going on a couple of feet from me only heightened my lust and I decided that I wanted Dave's cock right there and then. I pulled Dave's head away from my pussy and gave him a sexy smile. "Are you ready to fuck me?" I giggled.

I moved across to the dining table and lay back, spreading my legs wide so that Dave could see my hole ready and wet for him. He held his prick in his hand and then moved towards me. I gasped as I felt the tip easing inside me, then a great flood of relief as he started picking up a long, slow rhythm.

Dave was giving it all he'd got and I was loving it, but things took a turn for the better when I opened my eyes and there stood Alan, his cock hovering inches from my mouth! I wrapped my lips around it and began sucking hard.

I worked furiously on Alan's dick, running my tongue along his shaft and encouraging him to use my mouth like a cunt.

As I felt Dave speeding up his pace, I worked harder on Alan's cock and then I felt them both jolt as they delivered their loads inside my mouth and my cunt. My body shook as I came at the same time. It was incredible.

But I still wasn't completely done for. I'd guessed that the boys would love to see me getting it on with Sue, and the idea appealed to me too! I stood up and moved closer to where she was sitting, her fingers buried inside her pussy.

Gently pushing her legs apart, I sank to my knees and darted my tongue in and out of her wet pussy. Sue moaned and as I glanced up I could see her hands working around her firm tits, two fingers tweaking at the nipples. Of course the sight of Sue so turned on got me going and I started to come myself. Alan and Dave, who had been watching started to cheer loudly, which made me feel even better. My exhibitionist tendencies were being given full expression and I rolled onto my back, plunged two fingers into my pussy and finished the job for both their benefit and mine! What a night – and all through a chance meeting in a club! – *Debbie, London* ♣

● EVE – UNCUT

Top model Eve Vorley has sensationally admitted that she has finally given in to temptation and made her very first Hardcore Porn Video. Family and friends were shocked to learn of her involvement in the sleaze video but Eve herself was adamant: "It's something I'd always dreamt of doing and when the opportunity came my way I jumped at it and I do mean jumped, I am proud of it although now I've seen it finished, uncut, I myself was shocked at how porny it is – it turned me on again seeing myself on the video being taken every which way."

The Producer was unavailable for comment though a spokesman for the Video Production Company said: "It's the hottest video we've done, Eve not only has a superb body but her appetite for sex

SEE HER AT IT

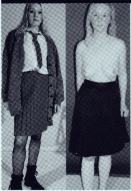
3 PRETTY BLONDE 18 YEAR OLD GIRLS HAVING SEX WITH BLACK MEN – new hardcore uncensored video

£19.99 inc. p&p



Mandy & Vicki – ready for Black Sex Action

Meet Mandy, Natalie & Vicki, 3 very pretty young Blond girls agreed to make a hardcore video having full sex with two black guys. Winston – 39 & Shaun – 21. These 3 sweet blond girls get used for sex. They look like cute youngsters – they screw black men for money. Winston has a huge 9" – Mandy fits it in easily, Natalie needs some of his spit to get it up; young Vicki (birthdate 30.1.1977) is almost too tight, Winston takes ages getting it in, but finally – he's in her. Each girl has sex with both men & we see it all – in 100% guaranteed 'in-out' close-up. See the men with their faces between white thighs – Licking white girls' cunny 'till it drips. Plenty of spunking scenes. Vicki (18) & Natalie had never had a black man before today – Now they've had two. – Natalie's boyfriend (Gary) watched her sex take place – After Winston & Shaun finish with her (she's lying there – tired – with her thick black tights torn around the vagina – ready for sex) – He takes his turn, he's very excited & climaxes over her young face in under 5 minutes. Mandy (18) works in a massage parlour & has had sex/masturbation with many black men. The 3 girls are used like whores for hard sex. Lots of oral action – pretty faces & blond hair – & great big black dicks deep in their mouths. Both men screw each girls mouth in turn to climax – in their mouths or over their face & tities. The girls wear sexy gear – stockings, knee-socks, gymslips etc. Get this video today – IT'S HARDCORE AT ITS KINKIEST BEST. A GUARANTEED '3 MAN-SIZE TISSUES TO CLEAN YOURSELF UP AFTERWARDS VIDEO. AS GOOD A PIECE OF HARDCORE PORN AS YOU EVER SHALL SEE.

WARNING!
We are offering some of the most explicit hardcore Videos, Magazines and Computer Discs from:
Sweden, Holland, Germany & USA
DO NOT buy any product from this advert if you are shocked or offended by very Sexually Explicit Material.

I know, you've heard it all before ... Just give me a chance: I used to work for that rip-off soft porn company and realised that if they can make money out of selling that soft rubbish – what couldn't I do, if I were to supply the **Real Hard Stuff!**

I'm based in Holland, with a friend doing the courier run, so there's no **worries** getting the gear to Britain. Before I left the company, I took some names from their mailing list – but not many, so I'm depending on word of mouth. If I don't supply the goods, word doesn't get about and I go bust.

That's why it's Real Uncut Hardcore, I know they're really good but if for some reason you don't agree with me, **I'll give you back every penny – GUARANTEED!**

Soft Porn ...NO NEVER!

For a badly dubbed French film with a plot straight out of Noddyland, this film is a real rude banger. Leading leg-spreader Serena Grandi is a fairly mature, but nevertheless horny, handful and did the trick for me several times in one Staurday morning (Hey, what else is there to do before the pubs open?). Featuring lots of top-notch underwear tackle and endless shag scenarios, *Miranda* is the best of these sexcuse-for-an-arty-fuckfest films I've seen, and worth buying for the pissing in the bath scene alone!

The main man in this badly dubbed Italian film is so rat-face-with-a-tache ugly that it really rather distracts from the fairly attractive girls getting their kits off. I liked the flash cars though.

On the sleeves for both *Emilienne* and *The Folies of Elodie* there are a couple of great stills showing birds getting it on in fine style with each other. I thought I was in for a rare old lezzer peep sesh but when I rang up Angel Films to ask them for a couple of review copies of the two films they said they didn't have any! So what is going on? I'm a professional for god's sake! How can I be expected to recommend a film I've never seen? I have my standards you know... Well, sort of... Okay, I haven't got any standards at all, but I didn't half fancy seeing those girls going for it. ♣

in the bag

continued from page 5

There aren't that many decent pubs or clubs and last Saturday night was a typical night out. I hadn't had a sniff all night and was standing at a bus stop with any hopes of pulling rapidly sinking down into my Timberland boots. Which is why I was overjoyed when a white BMW pulled up with a beautiful woman inside. She was a few years older that I am, maybe 25, and I had a great view of her tits as she leant out of the window.

"Do you want a lift?" she asked.

"That would be great," I replied.

I climbed into the passenger seat and she introduced herself as Carly. As we drove, I could feel my cock rising in anticipation. I could hardly keep my eyes off her and I wondered what my chances of pulling her were.

We started chatting and she began complaining about her boyfriend. She told me she'd caught him playing around with his secretary at work.

"I want revenge," she said.

She pulled the car over the side of the road. "Why don't you come back to my place?" she said. "My boyfriend is away on business."

I thought it must have been a wind-up. Any minute now my mates would appear at the window, pissing themselves laughing, so I decided to test her out. "I'd love to," I told her, "but I'll need a blow job first. Right now."

"The pleasure's all mine," she grinned, unbuttoning my trousers and pulling out my dick. I looked down to see her wet lips running up and down the length of my shaft, leaving red lipstick marks. It felt incredible.

I reached across and slipped my hand inside her blouse and began to rub her breasts. I could feel her nipples hardening under my touch and I went a step further and unbuttoned her blouse. She wasn't wearing a bra and her firm tits came into view.

Meanwhile Carly increased the pace, her head bobbing up and down in my lap. I moved my hand down over her stomach, onto her thighs and then up her skirt. She moaned as my hand snaked inside her knickers and I felt the warm wetness of her pussy. I started to rub her clit and as I did so she slurped even louder on my cock.

I couldn't wait a second longer and my balls felt like they would explode. I lifted my hips off the seat as my load poured into her mouth. Carly never missed a stroke and her lips clamped around my dick as she greedily swallowed every single drop.

Carly then loosened her grip on my cock, and straightened herself out. "Wait till I get you home," she said.

It took us about ten minutes to drive back to Carly's place and once we got through the bedroom door we practically ripped each other's clothes off. Carly then laid down on the bed. "I want you to give me the fuck of my life," she drawled sexily.

Wrapping her fingers around my shaft, she pulled me on top of her and I rammed my cock inside her tight hole and started to pump away. She was panting loudly now, screaming out with each stroke and urging me to bring her to orgasm. I fastened my mouth onto her breasts at the same time and started to suck each of her nipples in turn, and this seemed to tip Carly over the edge. Her whole body shuddered as an orgasm took control and ripped through her body. She reached down at the point and grabbed my balls, giving them a frantic rub and I quickly pulled out and came all over her tits. Fantastic!

I ended up staying over at Carly's place until Sunday lunch time – where she taught me a few things that I could only have previously dreamt about! Sadly, her boyfriend was due back later that day, but any time that Carly's can make it, she's promised to pick me up in her car again. Maybe Ludlow isn't so bad after all?! – *Danny, Ludlow*

BEACH BUM

I've just returned from a first-class holiday in Spain and I couldn't wait to write into Club and tell your readers what an excellent time I had. I had gone out there with a mate of mine, Stuart, and we'd booked a villa which we shared. The whole point of the holiday was to score with as many women as possible in a fortnight – and the signs looked pretty good the moment we arrived there.

jamie

Although Jamie is in her first year at University, this is one woman who you won't find propping up the Mandela Bar in the evening. The stunning 21-year-old sex kitten is heading upmarket.

"You'll usually find me in a city centre wine bar trying to network," she admits. "There's something about an intelligent, sexy woman that men just find impossible to resist and I've been making the most of my, erm, assets, if you know what I mean! I'm looking for a job in the

media, preferably television," she reveals. "It's just a matter of making the right contacts."

Sounds like all work and no play, Jamie...

"You've got to be joking!" she shrieks with laughter. "They're a right randy bunch. Most nights I get taken home to a king-size double bed with silk sheets followed by a champagne breakfast! If that's the high life, I want it every night!" ♣

Pleasure Zone
Vivid Interactive

Hot from the US is *Pleasure Zone*, an interactive shag frenzy of a game – complete with a three-dimensional sexpad interface. In truth, the game play is marginal but the marvellous design and top quality action make up for the shortcomings.

You can choose from several different levels, ranging from virgin to sex-crazed maniac. Choose your girl then click on her picture using a feather, cherry, lips or a vibrator and if you get excited enough you'll be rewarded with a video show.

Each girl stars in a mini-video with a male or female companion. It's all good (un)clean fun, and if you don't like messing with foreplay you can hit the infinity button to jump straight to the rudest part. Absolutely splendid!

❤❤❤❤❤❤

Nightwatch
New Machine Publishing/Your Choice

The gorgeous PJ Sparxx stars as a randy security guard, in control of the closed circuit TV cameras at the most erotic hotel in the world.

You can join her as she spies on the sex lives of the rich and shameless. There's all sorts going on behind closed doors – from thrilling threesomes and steamy shower scenes, to a randy old perv decked out in his girlfriend's stockings and suspenders.

Every time you return to PJ she takes off another piece of clothing, and when she's naked she does what comes naturally when a girl gets turned on – and lets her fingers do the talking! Unfortunately, as she gets down to the knuckle, her wicked boss turns up and he's less than impressed by the breach in security.

You then have to decide her punishment from a range of options – and if you're a spanking fan, one of them will make you blow your fuse.

Anderson Productions/PC Software

It's a mixed bag, this one. There are hundreds of naughty pics, but the installation procedure could crash your machine, and configuring the bundled viewing software could prove to be a real nightmare.

However, it's worth persevering as there's bound to be something that stirs your interest. The vast majority are solo sex babes in various states of undress, although there are a few of two girls together if you like that sort of thing (And if you don't, what are you reading this mag for anyway?).

But compared to the other CDs this month, this Danish offering is all rather tame. If you're after high definition on close-ups and top value from your pound of porn, you'd be better off spending the cash on a few beers, a large box of Kleenex and a year's subscription to Club.

in the bag

continued from page 90

Everywhere we looked there were gorgeous women; on the beach, in the clubs and on the streets. I seemed to be walking around with a permanent woody and my cock just about exploded when I saw Vanessa for the first time.

Stuart and I were on the beach trying to cultivate an irresistible tan, looking at all the topless girls, when I caught sight of a bikini-clad girl stepping out of the water. She was a real beauty with a great figure and as she walked past me she winked and smiled. I couldn't keep my eyes off her and Stuart noticed.

"Forget it, mate," he said. "She's way out of your league. Try and chat up one of those topless girls instead. It'll be a lot easier."

For the next few days I just couldn't get Vanessa out of my mind and I looked for her anywhere. Meanwhile Stuart had been in shagging overdrive and had bonked at least five women. Then, exactly a week after I'd first clamped eyes on her, I saw her again.

Staggering out of the villa after a night on the Sangria and feeling pretty rough, I looked down the road. There she was again, wearing cut-off jeans and a skimpy tee-shirt that accentuated her boobs. I dashed into a nearby shop, grabbed a carton of milk and strolled out nonchalantly, trying to look as cool as possible.

"Hello again!" she said. "You've got just what I need there!"

"Huh?" I replied.

"The milk," she laughed, "any chance of borrowing a drop?"

"No problem," I replied, and we strolled in the direction of her villa.

Once we got inside, I made myself comfortable on the sofa while Vanessa went into the kitchen. When she came back into the room a few minutes later, I got the shock of my life. She was standing there topless in the arch of the doorway with the carton of milk in her hand. "I've waited for a week," she said. "I want you now." And with that she poured the milk down over her breasts. I could hardly believe my eyes!

I got up and moved towards her, then played my tongue all over her fleshy mounds. She trembled under my long, slow licks sending splashes of milk down her stomach. I reached down and undid her jeans and slid them down to the floor. She stepped back and leant against the wall, spreading her legs and exposing her gorgeous pussy.

Reaching for my shorts, she pulled out my cock and started to jerk me off. Her fingers played along the length of my cock and then she cradled my heavy balls. "Oooh, is all that spunk in there for me?" she giggled.

I nodded.

"Fuck me now then," she said.

Vanessa sighed as I eased my prick inside her wet snatch and started thrusting. She was so wet that I could feel her juices dribbling down over my thighs and I ran my finger along her slit and brought it to my mouth. "You taste amazing," I told her.

"Make me come!" she begged, her fingernails digging into my bum as I thrust even faster and harder.

I gritted my teeth and rammed into her one final time, then our legs buckled as we both came at the same time and fell to the floor in a crumpled heap. Both of us were panting hard with a mixture of ecstasy and exhaustion. What an incredible shag!

Over the next seven days, I was constantly with Vanessa. She really loves sex; in her villa, on the beach, in the pool, even in a dinghy moored a mile offshore! She's got a fantastic body and loves being taken from behind. I can still remember the way her peachy arse shoved against my cock as I fucked her hard, fondling her nipples until we both came together. Now I'm back in the UK, I'm pleased to say that Vanessa only lives sixty miles from me, so we're meeting up next week to recreate some of those holiday shags. I can hardly wait! – *Tom, Brighton* ♣
